PERSONAL ILLNESS AND INJURY LEAVE

Full-time classified employees are entitled to twelve (12) days leave of absence, with full pay, for personal illness or injury per fiscal year. Employees who serve less than a full fiscal year or less than five days a week shall be granted comparable sick leave in proportion to the time they work. (Education Code 45191)

An employee may take sick leave at any time during the year, even if credit for sick leave has not yet been accrued. However, new employees shall not be entitled to more than six days of sick leave until they have completed six months of active service with the district. (Education Code 45191)

An employee who does not complete a given year of service shall be charged for any unearned sick leave used as of the date of termination.

Unused days of sick leave shall be accumulated from year to year without limitation. (Education Code 45191)

The Governing Board shall establish regulations requiring proof of illness or injuries reported by employees and specifying procedures by which such verification shall be made. (Education Code 45191)

A classified employee who leaves the district after at least one year of employment and accepts employment in another district or county office of education within one year shall have transferred with him/her the total amount of accumulated sick leave. This provision shall not apply to employees whose employment is terminated due to action initiated by the district for cause. The district may not require new employees to waive their leave accumulated in a previous district. (Education Code 45201)

Employee shall be notified of the amount of sick leave they have accumulated at the beginning of each school year.
