PARENT/GUARDIAN PARTICIPATION IN FEDERAL PROGRAMS

The district shall provide parents/guardians of children enrolled in Chapter I remedial instruction programs with regular opportunities to make recommendations on the educational needs of their children and on ways by which they can assist their children in realizing the benefits to be derived from these education programs.

Chapter I coordinators shall assure opportunities for parent/guardian involvement through means which may include, but are not limited to: the regular dissemination of information on Chapter I programs operated by the district, the scheduling of regular parent/guardian teacher conferences, and the preparation of regular student progress reports.
