

Community Relations

RELATIONS BETWEEN AREA, STATE, REGIONAL AND NATIONAL ASSOCIATIONS AND THE SCHOOLS

Membership in recognized associations such as California School Boards Association may be maintained by the district for several reasons, including:

1. the in-service education benefits to our staff and Governing Board which come from participation in meetings, conferences, clinics and conventions.
2. access to the communication media of such associations, such as newsletters, periodicals and advisory services.
3. representation in actions affecting education in general and our school district in particular.

The Board in maintaining such membership in no way abdicates its authority over the responsibility for the schools of the district as outlined in state law and Board policy.
