INTERDISTRICT ATTENDANCE

The Governing Board recognizes that students who reside in one district may choose to attend a school in another district and that such choices are made for a variety of reasons.

(cf. 5116.1 - Intradistrict Open Enrollment)

The Governing Board desires to communicate with parents/guardians and students regarding the educational programs and services that are available in the district.

Upon request by students' parents/guardians, the Superintendent or designee may approve interdistrict attendance agreements with other districts on a case-by-case basis to meet individual student needs.

The Superintendent or designee shall ensure that the District has entered into an Interdistrict Attendance Agreement with the other school district, which specifies the terms and conditions agreed to by both districts for the granting, denial or revocation of the permit. The interdistrict attendance agreement shall not exceed a term of one academic year and students shall be required to reapply annually.

The Superintendent or designee may deny applications for interdistrict transfers because of overcrowding within district schools or limited district resources.
