

WEST SONOMA COUNTY UNION HIGH SCHOOL DISTRICT

TO: Kellie Noe, Board President

FROM: Keller McDonald, Superintendent

DATE: September 10, 2014

ITEM: **CONSIDERATION OF APPROVAL OF RESOLUTION
#2.SEPT.2014-15 ON SUFFICIENCY OR INSUFFICIENCY OF
INSTRUCTIONAL MATERIALS**

BACKGROUND INFORMATION:

Education Code Section 60119 as revised by Chapter 900, Statutes of 2004, and CCR, Title 5, section 9531(c) requires each district to hold an annual public hearing and adopt a resolution stating whether each pupil in the district has sufficient textbooks or instructional materials in specified subjects consistent with the content and cycles of the curriculum frameworks adopted by the California State Board of Education.

Our District's Local Control Accountability Plan (LCAP) set a goal of adopting instructional materials in a timely manner that are aligned to the Common Core State Standards that were recently implemented in California in math, English and science.

CURRENT CONSIDERATION:

Notice of a public hearing regarding sufficiency or insufficiency of instructional materials was duly posted and parents, teachers, members of the community and bargaining units have been encouraged to participate in the public hearing and discussions regarding this topic. At this time, the Board of Trustees will consider Resolution #2.SEPT.2014-15 regarding the sufficiency or insufficiency of instructional materials.

RECOMMENDATIONS:

The administration respectfully requests the Board of Trustees approve Resolution #2.SEPT.2014-15 on Sufficiency or Insufficiency of Instructional Materials. This resolution confirms that there is sufficiency of standards-aligned textbooks and instructional materials in all subject areas at our district schools specified in Education Code 60119.
