

**Introduction:**

**LEA:** West Sonoma County Union High School District **Contact (Name, Title, Email, Phone Number):** Keller McDonald, Superintendent, [kmcdonald.do@wscuhd.k12.ca.us](mailto:kmcdonald.do@wscuhd.k12.ca.us), (707) 824-6412 **LCAP Year:** 2015-2016

### ***Local Control and Accountability Plan and Annual Update Template***

*The Local Control and Accountability Plan (LCAP) and Annual Update Template shall be used to provide details regarding local educational agencies' (LEAs) actions and expenditures to support pupil outcomes and overall performance pursuant to Education Code sections 52060, 52066, 47605, 47605.5, and 47606.5. The LCAP and Annual Update Template must be completed by all LEAs each year.*

*For school districts, pursuant to Education Code section 52060, the LCAP must describe, for the school district and each school within the district, goals and specific actions to achieve those goals for all pupils and each subgroup of pupils identified in Education Code section 52052, including pupils with disabilities, for each of the state priorities and any locally identified priorities.*

*For county offices of education, pursuant to Education Code section 52066, the LCAP must describe, for each county office of education-operated school and program, goals and specific actions to achieve those goals for all pupils and each subgroup of pupils identified in Education Code section 52052, including pupils with disabilities, who are funded through the county office of education Local Control Funding Formula as identified in Education Code section 2574 (pupils attending juvenile court schools, on probation or parole, or mandatorily expelled) for each of the state priorities and any locally identified priorities. School districts and county offices of education may additionally coordinate and describe in their LCAPs services provided to pupils funded by a school district but attending county-operated schools and programs, including special education programs.*

*Charter schools, pursuant to Education Code sections 47605, 47605.5, and 47606.5, must describe goals and specific actions to achieve those goals for all pupils and each subgroup of pupils identified in Education Code section 52052, including pupils with disabilities, for each of the state priorities as applicable and any locally identified priorities. For charter schools, the inclusion and description of goals for state priorities in the LCAP may be modified to meet the grade levels served and the nature of the programs provided, including modifications to reflect only the statutory requirements explicitly applicable to charter schools in the Education Code.*

*The LCAP is intended to be a comprehensive planning tool. Accordingly, in developing goals, specific actions, and expenditures, LEAs should carefully consider how to reflect the services and related expenses for their basic instructional program in relationship to the state priorities. LEAs may reference and describe actions and expenditures in other plans and funded by a variety of other fund sources when detailing goals, actions, and expenditures related to the state and local priorities. LCAPs must be consistent with school plans submitted pursuant to Education Code section 64001. The information contained in the LCAP, or annual update, may be supplemented by information contained in other plans (including the LEA plan pursuant to Section 1112 of Subpart 1 of Part A of Title I of Public Law 107-110) that are incorporated or referenced as relevant in this document.*

*For each section of the template, LEAs shall comply with instructions and should use the guiding questions as prompts (but not limits) for completing the information as required by statute. Guiding questions do not require separate narrative responses. However, the narrative response and goals and actions should demonstrate each guiding question was considered during the development of the plan. Data referenced in the LCAP must be consistent with the school accountability report card where appropriate. LEAs may resize pages or attach additional pages as necessary to facilitate completion of the LCAP.*

## State Priorities

The state priorities listed in Education Code sections 52060 and 52066 can be categorized as specified below for planning purposes, however, school districts and county offices of education must address each of the state priorities in their LCAP. Charter schools must address the priorities in Education Code section 52060(d) that apply to the grade levels served, or the nature of the program operated, by the charter school.

### A. Conditions of Learning:

**Basic:** degree to which teachers are appropriately assigned pursuant to Education Code section 44258.9, and fully credentialed in the subject areas and for the pupils they are teaching; pupils have access to standards-aligned instructional materials pursuant to Education Code section 60119; and school facilities are maintained in good repair pursuant to Education Code section 17002(d). (Priority 1)

**Implementation of State Standards:** implementation of academic content and performance standards and English language development standards adopted by the state board for all pupils, including English learners. (Priority 2)

**Course access:** pupil enrollment in a broad course of study that includes all of the subject areas described in Education Code section 51210 and subdivisions (a) to (i), inclusive, of Section 51220, as applicable. (Priority 7)

**Expelled pupils (for county offices of education only):** coordination of instruction of expelled pupils pursuant to Education Code section 48926. (Priority 9)

**Foster youth (for county offices of education only):** coordination of services, including working with the county child welfare agency to share information, responding to the needs of the juvenile court system, and ensuring transfer of health and education records. (Priority 10)

### B. Pupil Outcomes:

**Pupil achievement:** performance on standardized tests, score on Academic Performance Index, share of pupils that are college and career ready, share of English learners that become English proficient, English learner reclassification rate, share of pupils that pass Advanced Placement exams with 3 or higher, share of pupils determined prepared for college by the Early Assessment Program. (Priority 4)

**Other pupil outcomes:** pupil outcomes in the subject areas described in Education Code section 51210 and subdivisions (a) to (i), inclusive, of Education Code section 51220, as applicable. (Priority 8)

### C. Engagement:

**Parental involvement:** efforts to seek parent input in decision making at the district and each schoolsite, promotion of parent participation in programs for unduplicated pupils and special need subgroups. (Priority 3)

**Pupil engagement:** school attendance rates, chronic absenteeism rates, middle school dropout rates, high school dropout rates, high school graduations rates. (Priority 5)

**School climate:** pupil suspension rates, pupil expulsion rates, other local measures including surveys of pupils, parents and teachers on the sense of safety and school connectedness. (Priority 6)

**Section 1: Stakeholder Engagement**

*Meaningful engagement of parents, pupils, and other stakeholders, including those representing the subgroups identified in Education Code section 52052, is critical to the LCAP and budget process. Education Code sections 52060(g), 52062 and 52063 specify the minimum requirements for school districts; Education Code sections 52066(g), 52068 and 52069 specify the minimum requirements for county offices of education, and Education Code section 47606.5 specifies the minimum requirements for charter schools. In addition, Education Code section 48985 specifies the requirements for translation of documents.*

**Instructions:** Describe the process used to consult with parents, pupils, school personnel, local bargaining units as applicable, and the community and how this consultation contributed to development of the LCAP or annual update. Note that the LEA’s goals, actions, services and expenditures related to the state priority of parental involvement are to be described separately in Section 2. In the annual update boxes, describe the stakeholder involvement process for the review, and describe its impact on, the development of the annual update to LCAP goals, actions, services, and expenditures.

**Guiding Questions:**

- 1) How have applicable stakeholders (e.g., parents and pupils, including parents of unduplicated pupils and unduplicated pupils identified in Education Code section 42238.01; community members; local bargaining units; LEA personnel; county child welfare agencies; county office of education foster youth services programs, court-appointed special advocates, and other foster youth stakeholders; community organizations representing English learners; and others as appropriate) been engaged and involved in developing, reviewing, and supporting implementation of the LCAP?
- 2) How have stakeholders been included in the LEA’s process in a timely manner to allow for engagement in the development of the LCAP?
- 3) What information (e.g., quantitative and qualitative data/metrics) was made available to stakeholders related to the state priorities and used by the LEA to inform the LCAP goal setting process? How was the information made available?
- 4) What changes, if any, were made in the LCAP prior to adoption as a result of written comments or other feedback received by the LEA through any of the LEA’s engagement processes?
- 5) What specific actions were taken to meet statutory requirements for stakeholder engagement pursuant to Education Code sections 52062, 52068, and 47606.5, including engagement with representatives of parents and guardians of pupils identified in Education Code section 42238.01?
- 6) What specific actions were taken to consult with pupils to meet the requirements 5 CCR 15495(a)?
- 7) How has stakeholder involvement been continued and supported? How has the involvement of these stakeholders supported improved outcomes for pupils, including unduplicated pupils, related to the state priorities?

stakeholder meetings. During spring 2015, these stakeholders meetings were held to collect feedback on LCAP goals and activities proposed for the 2015-18 LCAP.

- Superintendent held "Supe's On" informal meetings at each school site with Certificated and Classified staff
- Superintendent held meetings with Confidential / Management and Administration / Management employees
- Superintendent met with West Sonoma County Teachers Association (WSCTA) leaders (Tuesday Informal) monthly to discuss various items, including LCAP input
- Superintendent invited WSCTA President to conduct a survey (independently or collaboratively with District) to collect LCAP input and feedback from Certificated staff. WSCTA declined to conduct survey.
- Superintendent met with CSEA President in early spring to invite formal CSEA feedback and input for the 2015-18 LCAP. CSEA President submitted formal LCAP input to Superintendent in May.
- LCAP input was collected from School Board and the public at Board meetings in December and February and at the District Goal Setting Workshop in March.
- Superintendent met with Leadership Class at El Molino and Analy in spring 2015 to collect input. The superintendent led a discussion and conducted a written survey to collect ideas and input from the student leaders.
- Superintendent met with School Site Councils at El Molino and Analy in spring 2015. The superintendent led discussions and conducted a written survey with the Site Councils.
- Superintendent met with English Learner Advisory Committees (ELACs) at El Molino and Analy in spring 2015 to collect LCAP. Through interpreters, the superintendent led discussions and conducted a written survey with the Site Councils.

A draft of the 2015-2018 LCAP and draft District Budget for 2015-16 was shared with all stakeholders at a public school board meeting on June 10, 2015. Public hearings on these items were also held on June 10, 2015. The draft LCAP was also shared with the Parent Advisory Committees (School Site Councils) and English Learner Parent Committees (ELACs).

No written or verbal questions or comments from the Parent Advisory

Implementation of Common Core State Standards

- District needs significantly more standards-aligned textbooks, as built into the 2015-18 LCAP (Students, Site Council, Certificated Staff, Board, Administrators)
- Continued workshops, training and conferences identified in 2015-18 LCAP will support Common Core implementation (Certificated Staff, CSEA, Board, Administrators)
- Continue to provide Beginning Teacher Support and Assessment to support Common Core, as built into the 2015-18 LCAP (Teachers, Administrators)

ENGAGEMENT

Parent Involvement and Input

- Continue to invite English Learners students and their parents to workshop and speakers on how to prepare for career and college, as built into the 2015-18 LCAP (ELACs, Administrators)
- Provide Site Council funding to support activities to boost parent and student engagement, as built into the 2015-18 LCAP (Site Councils, Students, Administrators)
- Continue to support community partnerships to provide support services to students and families, as built into the 2015-18 LCAP (e.g. Adult English Learner class at El Molino - try to expand to Sebastopol) (ELACs, Board, Administrators)
- Expand providing documents and meetings translated to home language for parents to increase parent engagement, as built into the 2015-18 LCAP (ELACs, Administrators)
- Provide bilingual support staff in school offices to increase parent access to information and increase parent engagement, as built into the 2015-18 LCAP (ELACs, Administrators, CSEA)

Student Engagement

- Provide home-to-school bus passes and activity buses, as built into the 2015-18 LCAP (ELACs, Administrators)
- Provide Leadership Classes with funding for activities to support student engagement, as built into the 2015-18 LCAP (Administrators, Board)

**Annual Update:**

THE FOLLOWING ACTIVITIES WERE ACCOMPLISHED AND DATA PRESENTED TO INVOLVE STAKEHOLDERS IN THE ANNUAL LCAP UPDATE

A summary of stakeholder input provided to the District from the previous year, as well as the LCAP goals, activities and funding sources from the 2014-15 LCAP was presented to the LCAP stakeholders in fall, 2014, as shown below. To the extent that it was available, data was presented related to the evaluation of the goals and activities to help evaluate the LCAP activities and inform stakeholders' input for the LCAP annual update. However, quantitative data on most of the goals and activities were not available to present at the fall LCAP stakeholder update meetings, because the results were not scheduled to be measured until spring 2015. Therefore, stakeholders were asked at the fall annual LCAP update meetings to provide opinions and qualitative feedback on the LCAP activities and results for 2014-15, as well as input and suggestions for the 2015-18 LCAP. These fall 2014 annual LCAP stakeholder meetings were held:

- Superintendent held "Supe's On" informal meetings at each school site with Certificated and Classified staff
- Superintendent held meetings with Confidential / Management and Administration / Management employees
- Superintendent met with West Sonoma County Teachers Association (WSCTA) leaders (Tuesday Informal) monthly in fall 2014
- Superintendent invited WSCTA President to conduct a survey (independently or collaboratively with District) to collect LCAP input from Certificated staff. WSCTA declined to conduct survey.
- Superintendent met with CSEA President in early spring to invite formal CSEA input for the LCAP annual update (and for the 2015-18 LCAP). CSEA President submitted formal LCAP input to Superintendent in May.
- LCAP annual input was collected from School Board and the public at Board meetings in December and February and at the District Goal Setting Workshop in March.
- Superintendent met with Leadership Class at El Molino and Analy to report activities from the 2014-15 LCAP and collect input for 2014-15 annual update. The superintendent led a discussion and conducted a written

- In 2015-16, provide bilingual support staff in school offices to increase parent access to information and increase parent engagement (ELACs, Administrators, CSEA)

#### Student Engagement

- Continue to provide home-to-school bus passes and activity buses
- In 2015-16, provide Leadership Classes with funding for activities to support student engagement

#### School Climate

- In 2015-16, improve picture resolution on school security cameras to be able to identify individuals via camera (Administrators)

## Section 2: Goals, Actions, Expenditures, and Progress Indicators

### Instructions:

All LEAs must complete the LCAP and Annual Update Template each year. The LCAP is a three-year plan for the upcoming school year and the two years that follow. In this way, the program and goals contained in the LCAP align with the term of a school district and county office of education budget and multiyear budget projections. The Annual Update section of the template reviews progress made for each stated goal in the school year that is coming to a close, assesses the effectiveness of actions and services provided, and describes the changes made in the LCAP for the next three years that are based on this review and assessment.

Charter schools may adjust the table below to align with the term of the charter school’s budget that is submitted to the school’s authorizer pursuant to Education Code section 47604.33.

For school districts, Education Code sections 52060 and 52061, for county offices of education, Education Code sections 52066 and 52067, and for charter schools, Education Code section 47606.5 require(s) the LCAP to include a description of the annual goals, for all pupils and each subgroup of pupils, to be achieved for each state priority as defined in 5 CCR 15495(i) and any local priorities; a description of the specific actions an LEA will take to meet the identified goals; a description of the expenditures required to implement the specific actions; and an annual update to include a review of progress towards the goals and describe any changes to the goals.

To facilitate alignment between the LCAP and school plans, the LCAP shall identify and incorporate school-specific goals related to the state and local priorities from the school plans submitted pursuant to Education Code section 64001. Furthermore, the LCAP should be shared with, and input requested from, schoolsite-level advisory groups, as applicable (e.g., schoolsite councils, English Learner Advisory Councils, pupil advisory groups, etc.) to facilitate alignment between school-site and district-level goals and actions. An LEA may incorporate or reference actions described in other plans that are being undertaken to meet the goal.

**Using the following instructions and guiding questions, complete a goal table (see below) for each of the LEA’s goals. Duplicate and expand the fields as necessary.**

**Goal:** Describe the goal:

When completing the goal tables, include goals for all pupils and specific goals for schoolsites and specific subgroups, including pupils with disabilities, both at the LEA level and, where applicable, at the schoolsite level. The LEA may identify which schoolsites and subgroups have the same goals, and group and describe those goals together. The LEA may also indicate those goals that are not applicable to a specific subgroup or schoolsite.

**Related State and/or Local Priorities:** Identify the state and/or local priorities addressed by the goal by placing a check mark next to the applicable priority or priorities. The LCAP must include goals that address each of the state priorities, as defined in 5 CCR 15495(i), and any additional local priorities; however, one goal may address multiple priorities.

**Identified Need:** Describe the need(s) identified by the LEA that this goal addresses, including a description of the supporting data used to identify the need(s).

**Schools:** Identify the schoolsites to which the goal applies. LEAs may indicate “all” for all schools, specify an individual school or a subset of schools, or specify grade spans (e.g., all high schools or grades K-5).

**Applicable Pupil Subgroups:** Identify the pupil subgroups as defined in Education Code section 52052 to which the goal applies, or indicate “all” for all pupils.

**Expected Annual Measurable Outcomes:** For each LCAP year, identify and describe specific expected measurable outcomes for all pupils using, at minimum, the applicable required metrics for the related state priorities. Where applicable, include descriptions of specific expected measurable outcomes for schoolsites and specific subgroups, including pupils with disabilities, both at the LEA level and at the schoolsite level.

The metrics used to describe the expected measurable outcomes may be quantitative or qualitative, although the goal tables must address all required metrics for every state priority in each LCAP year. The required metrics are the specified measures and objectives for each state priority as set forth in Education Code sections 52060(d) and 52066(d). For the pupil engagement priority metrics, LEAs must calculate the rates specified in Education Code sections 52060(d)(5)(B), (C), (D) and (E) as described in the Local Control Accountability Plan and Annual Update Template Appendix, sections (a) through (d).

**Action/Services:** For each LCAP year, identify all annual actions to be performed and services provided to meet the described goal. Actions may describe a group of services that are implemented to achieve the identified goal.

**Scope of Service:** Describe the scope of each action/service by identifying the schoolsites covered. LEAs may indicate “all” for all schools, specify an individual school or a subset of schools, or specify grade spans (e.g., all high schools or grades K-5). If supplemental and concentration funds are used to support the action/service, the LEA must identify if the scope of service is districtwide, schoolwide, countywide, or charterwide.

**Pupils to be served within identified scope of service:** For each action/service, identify the pupils to be served within the identified scope of service. If the action to be performed or the service to be provided is for all pupils, place a check mark next to “ALL.”

For each action and/or service to be provided above what is being provided for all pupils, place a check mark next to the applicable unduplicated pupil subgroup(s) and/or other pupil subgroup(s) that will benefit from the additional action, and/or will receive the additional service. Identify, as applicable, additional actions and services for unduplicated pupil subgroup(s) as defined in Education Code section 42238.01, pupils redesignated fluent English proficient, and/or pupils subgroup(s) as defined in Education Code section 52052.

**Budgeted Expenditures:** For each action/service, list and describe budgeted expenditures for each school year to implement these actions, including where those expenditures can be found in the LEA’s budget. The LEA must reference all fund sources for each proposed expenditure. Expenditures must be classified using the California School Accounting Manual as required by Education Code sections 52061, 52067, and 47606.5.

**Guiding Questions:**

- 1) What are the LEA’s goal(s) to address state priorities related to “Conditions of Learning”?
- 2) What are the LEA’s goal(s) to address state priorities related to “Pupil Outcomes”?
- 3) What are the LEA’s goal(s) to address state priorities related to parent and pupil “Engagement” (e.g., parent involvement, pupil engagement, and school climate)?
- 4) What are the LEA’s goal(s) to address any locally-identified priorities?
- 5) How have the unique needs of individual schoolsites been evaluated to inform the development of meaningful district and/or individual schoolsite goals (e.g., input from site level advisory groups, staff, parents, community, pupils; review of school level plans; in-depth school level data analysis, etc.)?
- 6) What are the unique goals for unduplicated pupils as defined in Education Code sections 42238.01 and subgroups as defined in section 52052 that are different from the LEA’s goals for all pupils?
- 7) What are the specific expected measurable outcomes associated with each of the goals annually and over the term of the LCAP?
- 8) What information (e.g., quantitative and qualitative data/metrics) was considered/reviewed to develop goals to address each state or local priority?
- 9) What information was considered/reviewed for individual schoolsites?
- 10) What information was considered/reviewed for subgroups identified in Education Code section 52052?
- 11) What actions/services will be provided to all pupils, to subgroups of pupils identified pursuant to Education Code section 52052, to specific schoolsites, to English learners, to low-income pupils, and/or to foster youth to achieve goals identified in the LCAP?
- 12) How do these actions/services link to identified goals and expected measurable outcomes?
- 13) What expenditures support changes to actions/services as a result of the goal identified? Where can these expenditures be found in the LEA’s budget?

Expected Annual Measurable Outcomes: On a survey conducted during LCAP engagement with Site Councils and ELACs that measures the effort to promote input and participation in decisions for the district and school at the "unsatisfactory level," "satisfactory level," or "excellent level," parents will indicate there is a satisfactory level of effort to promote parent input and participation in programs for English learners; and a satisfactory level of effort to promote parent input and participation in programs for Foster youth and economically disadvantaged students at the district and school levels. | GOAL<br>13: | E 2 School rates of chronic absenteeism (3 or more unexcused absences) will not exceed state truancy rate in the most recent year posted on the CDE DataQuest website.(State Priority 5B)   | Related State and/or Local Priorities:<br>1 _ 2 _ 3 _ 4 _ 5 X 6 X 7 _ 8 _<br><br>COE only: 9 _ 10 _<br><br>Local : Specify |

|             | E 4 > 50% of boys and > 50% of girls will participate in interscholastic sports or other school sponsored physical activities, as an indicator of school connectedness (e.g., intramurals, dance, cheer and clubs like Ultimate Frisbee, biking, surfing, ping pong, yoga, and fishing) annually. (State Priority 6C) |  |

Identified Need : Need: Students are engaged and connected with their education and pursuing career and college readiness.

In 2014-15, E 2 was achieved, as the most recent state truancy rate reported on the California Department of Education DataQuest website is 31.14% (2013-14), and 2014-15 truancy / chronic absentee rates (3 or more unexcused absences) were: Analy - 14.5%, El Molino - 21.2%, Laguna - 113.00% (yes, over one-hundred percent!) (State Priority 5B)

In 2014-15, goal E 3 of 94% actual attendance (calculated on P2) was achieved in 2014-15 at Analy and El Molino, but not at Laguna: Analy - 96.23%, El Molino - 94.42%, Laguna - 89.20% (the high attendance rate and high truancy rate at Laguna are counter-intuitive). (State Priority 5A)

Truancy and chronic absenteeism was identified by stakeholders as a serious threat to student engagement and success at all schools, especially at Laguna. Laguna will participate in the Keeping Kids In School (KKIS) truancy reduction program operated in conjunction with the Sonoma County Probation Department in 2015-16. Analy and El Molino will apply to be included in the KKIS program in future years, depending on the funding capacity of the program.

As a critical measure of school connectedness and student health recognized by the Center for Disease Control, data on student participation in interscholastic sports and other school sponsored physical activities prepared by athletic directors show that 61.4% of boys and 52.9% of girls at Analy participated, and 50% of boys and 45% of girls participated at El Molino, and 0% of boys and 0% of girls participated at Laguna. Additional school-sponsored physical activities will be offered at Laguna in 2015-16 and additional participation of girls in existing activity programs will be encouraged at Analy and El Molino. (State Priority 6C)

Stakeholders recommended that funds provided to Site Councils to support activities to improve student and parent engagement be increased for 2015-16. Administrators recommended adding LCAP funding for the Analy, El Molino and Laguna leadership classes (\$3400 for Analy, \$2200 for El Molino and \$400 for Laguna) to support activities to improve student engagement, with an emphasis on unduplicated students and increasing participation in school-sponsored physical activities. El Molino ELAC and Administrators recommend adding an El Molino after school activity bus to Graton and offering bus passes to all students to encourage regular school attendance.

## Annual Update

**Annual Update Instructions:** For each goal in the prior year LCAP, review the progress toward the expected annual outcome(s) based on, at a minimum, the required metrics pursuant to Education Code sections 52060 and 52066. The review must include an assessment of the effectiveness of the specific actions. Describe any changes to the actions or goals the LEA will take as a result of the review and assessment. In addition, review the applicability of each goal in the LCAP.

### Guiding Questions:

- 1) How have the actions/services addressed the needs of all pupils and did the provisions of those services result in the desired outcomes?
- 2) How have the actions/services addressed the needs of all subgroups of pupils identified pursuant to Education Code section 52052, including, but not limited to, English learners, low-income pupils, and foster youth; and did the provision of those actions/services result in the desired outcomes?
- 3) How have the actions/services addressed the identified needs and goals of specific schoolsites and were these actions/services effective in achieving the desired outcomes?
- 4) What information (e.g., quantitative and qualitative data/metrics) was examined to review progress toward goals in the annual update?
- 5) What progress has been achieved toward the goal and expected measurable outcome(s)? How effective were the actions and services in making progress toward the goal? What changes to goals, actions, services, and expenditures are being made in the LCAP as a result of the review of progress and assessment of the effectiveness of the actions and services?
- 6) What differences are there between budgeted expenditures and estimated actual annual expenditures? What were the reasons for any differences?

| What changes in actions, services, and expenditures will be made as a result of reviewing past progress and/or changes to goals?   | Interviews with stakeholders indicate that Goals 3 and 4 related to providing professional development, technology and instructional supplies and textbooks to support implementation of Common Core math, English and science were achieved for 2014-15. The District Common Core State Standards Implementation Plan was used to determine how state CCSS grant funds were allocated to support these goals. Additional general funds were allocated because the need for CCSS textbooks exceeded the state grant allocation.<br><br>CL 5 Goal from the 2014-15 LCAP was to be determined in 2015-16 based on spring 2015 exam results. However, school-wide Smarter Balanced Assessment data will not be reported for spring 2015 testing. What changes in actions, services, and expenditures will be made as a result of reviewing past progress and/or changes to goals?

Even though there was a drop in the percentage of ELs redesignated FEP at El Molino, El Molino met the goal of achieving higher than the state rate. However, the other schools in the District did not, nor did the District as a whole.

Stakeholders (especially teachers and Analy and El Molino ELACs) report that the addition of Bilingual Paraeducators is supporting student achievement for English Learners and recommend continuing this service in 2015-16.

| What changes in actions, services, and expenditures will be made as a result of reviewing past progress and/or changes to goals? | <p>California Department of Education website reported AP participation and results through 2012-13, but not more recent results. Therefore, accurate contemporary data is not yet available to measure gains for this goal. The data collection system will need to be revised in 2015-16 to reflect the actual number of AP exams taken in the current year, as follows:</p> <p>"Total number of AP exams given in the current school year divided by the current combined grade 11 and 12 student population will meet or exceed the total number of AP exams given divided by the combined grade 11 and 12 student population in the most recent year posted on the CDE Dataquest website.</p> <p>Stakeholders recommended adding AP Computer Science at El Molino and Analy. Plans are underway to add this course at Analy for 2015-16. Stakeholders recommended that supplementary funds be used to help pay for AP exam fees for all unduplicated students in 2015-16.</p> |  |  |

ELACs indicated in LCAP annual updates that the translation services provided in 2014-15 were beneficial but too limited in scope. ELACs and Administrators recommended additional translation of materials in home language for parents, additional bilingual office staff support, and providing Aeries reports and letters in home language in 2015-16. CSEA stakeholders recommended providing stipends to bilingual classified staff to do translating in key support staff positions in 2015-16.</p> |   |  |

**Complete a copy of this table for each of the LEA's goals in the prior year LCAP. Duplicate and expand the fields as necessary.**

**Section 3: Use of Supplemental and Concentration Grant funds and Proportionality**

A. In the box below, identify the amount of funds in the LCAP year calculated on the basis of the number and concentration of low income, foster youth, and English learner pupils as determined pursuant to 5 CCR 15496(a)(5).

Describe how the LEA is expending these funds in the LCAP year. Include a description of, and justification for, the use of any funds in a districtwide, schoolwide, countywide, or charterwide manner as specified in 5 CCR 15496.

For school districts with below 55 percent of enrollment of unduplicated pupils in the district or below 40 percent of enrollment of unduplicated pupils at a schoolsite in the LCAP year, when using supplemental and concentration funds in a districtwide or schoolwide manner, the school district must additionally describe how the services provided are the most effective use of funds to meet the district’s goals for unduplicated pupils in the state and any local priority areas. (See 5 CCR 15496(b) for guidance.)

|  |                  |
|--|------------------|
| Total amount of Supplemental and Concentration grant funds calculated:   | <u>\$719,568</u> |
| <p>Using the LCFF Calculator provided by FCMAT (v16.1e), the increase of funds for the 2015-16 fiscal year calculates to \$719,568, based on an LCFF average daily attendance of 1988.94 students, with 27.26% unduplicated population students and a 53.08% Gap funding rate. On census day Fall 2014, West Sonoma County Union School District reported a total enrollment of 2,069 students, plus 51 Sonoma County Office of Education Students. Unduplicated counts for low income, English learners, and foster youth totaled 557 students district-wide plus 24 SCOE students. Estimates for 2015-16 are 2,069 District plus 50 SCOE students, with 540 unduplicated counts for the District and 24 for SCOE, translating to a 27.26% average. Unduplicated population enrollment by school was: Analy High School 20.2% (267 students), El Molino High School 37.7% (230 students), and Laguna High School 58.6% (41 students). Supplemental funds are targeted for services provided to unduplicated students. In the LCAP year (2015-16) the District has budgeted \$719,951. Listed below are details of the additional and continuing supplementary services targeting the unduplicated pupil populations at all campuses, included in the 2015-16 proposed District budget. The goals and outcomes of these additional supplementary services are included in previous sections of the LCAP. A recap of supplementary services to unduplicated students follows:</p> |                  |

- B. In the box below, identify the percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all pupils in the LCAP year as calculated pursuant to 5 CCR 15496(a).

Consistent with the requirements of 5 CCR 15496, demonstrate how the services provided in the LCAP year for low income pupils, foster youth, and English learners provide for increased or improved services for these pupils in proportion to the increase in funding provided for such pupils in that year as calculated pursuant to 5 CCR 15496(a)(7). An LEA shall describe how the proportionality percentage is met using a quantitative and/or qualitative description of the increased and/or improved services for unduplicated pupils as compared to the services provided to all pupils.

Total District’s LCFF Phase-in Entitlement for 2015-16 is \$17,002,507. Of this total entitlement, \$16,282,939 is Base Funding and \$719,568 is the estimated Supplemental Grant funding for 2015-16. Supplemental Grant funding divided by the Base funding calculates to the 4.42% minimum proportionality percentage. The District must demonstrate that it is spending the minimum funding received (\$719,568) or it has increased services to unduplicated students by 4.42%.

Listed above are details of the additional and continuing supplementary services targeting the unduplicated pupil populations at all campuses, included in the 2015-16 proposed District budget. These services are in excess of the minimum dollar amount of \$719,568 and calculate to show an increase of 4.42% in services to unduplicated pupil populations. The amount budgeted of \$719,951 exceeds the required 4.42% minimum proportionality percentage (\$719,568) in expenditures for low income pupils, foster youth and English learners, as described in the previous sections of the LCAP. The services meet the minimum dollar amount required and demonstrate the increase of 4.42% in services to unduplicated pupil populations. The goals and outcomes of these additional supplementary services are included in previous sections of the LCAP.

**LOCAL CONTROL AND ACCOUNTABILITY PLAN AND ANNUAL UPDATE APPENDIX**

For the purposes of completing the LCAP in reference to the state priorities under Education Code sections 52060 and 52066, the following shall apply:

(a) “Chronic absenteeism rate” shall be calculated as follows:

- (1) The number of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30) who are chronically absent where “chronic absentee” means a pupil who is absent 10 percent or more of the schooldays in the school year when the total number of days a pupil is absent is divided by the total number of days the pupil is enrolled and school was actually taught in the total number of days the pupil is enrolled and school was actually taught in the regular day schools of the district, exclusive of Saturdays and Sundays.
- (2) The unduplicated count of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30).
- (3) Divide (1) by (2).

(b) “Middle School dropout rate” shall be calculated as set forth in California Code of Regulations, title 5, section 1039.1.

(c) “High school dropout rate” shall be calculated as follows:

- (1) The number of cohort members who dropout by the end of year 4 in the cohort where “cohort” is defined as the number of first-time grade 9 pupils in year 1 (starting cohort) plus pupils who transfer in, minus pupils who transfer out, emigrate, or die during school years 1, 2, 3, and 4.
- (2) The total number of cohort members.
- (3) Divide (1) by (2).

(d) “High school graduation rate” shall be calculated as follows:

- (1) The number of cohort members who earned a regular high school diploma [or earned an adult education high school diploma or passed the California High School Proficiency Exam] by the end of year 4 in the cohort where “cohort” is defined as the number of first-time grade 9 pupils in year 1 (starting cohort) plus pupils who transfer in, minus pupils who transfer out, emigrate, or die during school years 1, 2, 3, and 4.
- (2) The total number of cohort members.
- (3) Divide (1) by (2).

(e) "Suspension rate" shall be calculated as follows:

- (1) The unduplicated count of pupils involved in one or more incidents for which the pupil was suspended during the academic year (July 1 – June 30).
- (2) The unduplicated count of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30).
- (3) Divide (1) by (2).

(f) "Expulsion rate" shall be calculated as follows:

- (1) The unduplicated count of pupils involved in one or more incidents for which the pupil was expelled during the academic year (July 1 – June 30).
- (2) The unduplicated count of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30).
- (3) Divide (1) by (2).
